

Mutation DCR Receipt — Khatiyon 1157

Duplicate Carbon Receipt (DCR) · Upazila Land Office, Rajnagar, Moulvibazar

This is a **working translation** of a computer-generated Bangladeshi land-office receipt. This document is largely printed rather than handwritten, so the readings below are reliable. The DCR is the official receipt confirming that the mutation fee has been paid and the new khatiyon issued.

Why this document matters

The DCR is the proof of completion for a mutation. Together with the mutation khatiyon itself, it shows that the transfer into the heirs' names for the Jalalpur property was formally concluded and the fee paid. It closes tracker item b10.
