

Mutation Application No. 2912722 — Working Translation

Online application & AMR fee receipt · Mouza Shamerkona, J.L. 102, Moulvibazar Sadar

This is a **working translation** of a computer-generated online mutation application and its fee receipt (AMR). The document is printed rather than handwritten, so the readings below are reliable. This is the application that led to Mutation Khatiyan 1224.

Document type	Online mutation (নামজারি/জমাখারিজ) application with AMR fee receipt
Application number	2912722
Date of application	19/03/2024
Addressed to	Assistant Commissioner (Land), Moulvibazar Sadar
Basis of claim	ওয়ারিশ — inheritance
Mouza / J.L. no.	Shamerkona / 102
Khatiyan	R.S. Khatiyan 22
Dags and quantities	Dag 2888 — 0.125000 acre; Dag 2893 — 0.100000 acre; Dag 2902 — 0.030000 acre
Total applied for	0.255000 acre (25.50 shatak)
Predecessor's holding	Khatiyan 22 in the names of Akram Ali and Nurul Islam, sons of Osiyot Ulla
Applicant / representative	Jadul Miah, son of Md. Rahmat Ulla, of Shamerkona — acting as local representative
Grantees (5)	Azgor Ali, Ali Akbar, Rahela Begum and Sayera Begum — all children of late Akram Ali and all recorded as প্রবাসী (non-resident), identified by passport; and Sufiya Bibi Ali, daughter of Adar Mia, recorded as resident and identified by national ID
Fees	Court fee Tk 20 + notice issue fee Tk 50 = Tk 70 total, paid online by bKash (transaction BCJ0SG7CKW, 19-03-2024)

Declarations made in the application

- Continuity of ownership from the last record or mutation — yes
- Claim and share correct per the applicants' documents — yes
- Applicants in possession of the land — yes
- Not partly khas, vested or acquired land — no
- No civil suit pending on the land — no
- No government interest in the land — no
- Latest survey of the land — R.S.

Documents uploaded with the application

Scan of Khatiyan 22; birth-registration/passport scans for the four non-resident grantees; the original warishan (succession) certificate; a hand-drawn boundary sketch of the land; and other supporting papers.

Outcome

This application resulted in Mutation Khatiyan 1224 for Shamerkona. Note that the dags applied for here (2888, 2893, 2902) appear to overlap those in Kabala Deed 2994 — see that record and tracker item a11.
